

Dear families,

Please be informed that OSHC and Vacation Care fees will go up as from the beginning of Term 2, Monday 2nd of May 2022. The fee increases will help us to meet rising operational costs and also provide afternoon tea during the Vacation Care program. Grocery prices have increased and also activity providers are charging more hence we are currently struggling to meet operational costs.

The St Leonards School Governing Council which is the Approved Provider of St Leonards OSHC, met recently and upon considering the current operational costs and our families circumstances has approved the small increase in fees to enable the OSHC service to remain financially sustainable so we can continue to provide the St Leonard's School Community with valuable services.

The current fees and inclusions as well as the new fees and inclusions are presented in the table below:

Session	Current Fee	Current Inclusions	Session	New Fees from May 2 nd 2022
