

Dear families,

Please be informed that OSHC and Vacation Care fees will increase effective from effective Monday 2 October 2023. The fee increases will help the Service to meet rising operational costs. Grocery prices have increased and also activity providers are charging more hence we are currently struggling to meet operational costs.

The St Leonards OSHC Committee met recently and upon considering the current operational costs, has approved a fee increase to enable the OSHC service to remain financially sustainable so we can continue to provide the St Leonard’s School Community with valuable services.

The current fees and inclusions as well as the new fees and inclusions are presented in the table below:
